

Sonic Escape

Tech Rider

Sonic Escape Technical Rider

Stage Requirements:

1. An acoustic shell (if available).
2. Minimum stage dimensions – 10' wide x 6' deep.
3. Stage should be swept clean and cleared of all equipment, debris, etc., prior to *Sonic Escape's* arrival.

Sound Requirements:

1. A sound system with appropriate and professional audio console, power amps, equalizers and speakers for venue dimensions.
2. 2 inputs/adapters that accept XLR male plugs for wireless flute and violin mic systems.
3. 2 high quality condenser mics on boom stands (see stage plot for positioning).
4. 1 speaking microphone (SM58 or equivalent) on a boom stand (can be left side stage in case it is needed).
5. 1 or more monitor speakers with one monitor mix.

Crew Requirements:

1. A "knowledgeable" venue representative should be available to open doors (usually the Venue Stage Manager).
2. A Master Electrician (lighting board operator) should be present to make sure the lighting focus suffices and to operate the show if theatrical lighting is used.
3. An Audio Engineer is required, and must be available for entire load-in, sound check and performance.

Lighting Requirements:

1. Theatrical lighting is preferred, with a three- or four-color wash, three "specials" and dimming capabilities.
2. When theatrical lighting is not possible, a minimum of good concert lighting is required.

Load-In and Sound Check Requirements:

1. Total load-in time: 3 hours
2. Load-in crew needed: 0
3. A minimum of 0.5 hours is required for load-in prior to sound check.
4. A minimum of 2 hours in performance space for sound check is required the day of.
5. Sound check should end at least 1.5 hours prior to performance.

Dressing Room Requirements:

1. 2 dressing rooms (or a minimum of 1) with mirrors, adequate lighting and bathroom(s) close by.
2. An iron and ironing board (if available).
3. Dressing rooms should be available for entire load-in, sound check and performance.
4. Dressing rooms should be locked (but accessible to performers) during sound check and performance.

Hospitality Requirements:

1. A clean drinking water source to refill reusable bottles.
2. When food is provided, please make 2 vegan meals and beverages (coffee, tea, soy or non-dairy milk, soda) available 1.5 hours prior to performance, with food left in place until load-out is complete. When possible, please leave food packaged (it may be eaten after the performance).
3. Snacks (veggies, salad, pita/hummus, fruit excluding melon) and beverages during load-in and sound check are greatly appreciated. Please leave food packaged.

Merchandise Requirements:

1. A table and volunteer(s) to sell *Sonic Escape's* merchandise before the concert, at intermission, and after the concert.
